## General Rental Conditions

1. All prices are net prices excluded state and local taxes. Prices include delivery to and pickup from the exhibit stand. This applies to our general trade show area. Special deliveries outside of our normal delivery zone requiring customs are subject to special terms on a case by case basis.
2. **The rent for the general stand equipment will be charged for the entire duration of the fair.** For longer rental periods, special conditions can be arranged. Rental cancellations can be made only up to 14 days prior to the beginning of the fair. The whole rental price will be charged for late cancellations. The rental equipment is available only for the duration of the trade show.
3. The exhibitor's liability for rental equipment will begin upon delivery to the stand and will end with the rental equipment pickup. These terms apply even if the stand is unmanned. The complete rental equipment should be prepared for pickup (including shelves, ice cube trays, glass platters, etc.) and under no circumstances locked up on the pickup date. In the event the rental equipment is not available on the pickup day, contrary to rental agreement, the exhibitor's liability is continued. In this case, it is the exhibitor's obligation to return the merchandise at his own expense. **The rental equipment is not insured. It is the responsibility of the renter to provide insurance.**
4. Claims of incomplete delivery and/or delivery of equipment not in compliance with the contract terms must be submitted within 24 hours of receipt of rental equipment. Later claims will not be accepted. The renter is obligated to report any damage to the equipment caused by the renter or a third party. This also applies in the case of theft. The rental company reserves the right to substitute equivalent merchandise in exceptional cases. This also applies to late orders. Pictures, measurements, technical specifications could differ from shown pictures and description.
5. The rental equipment remains the property of the rental company and is not subject to seizure. It can be used only for the intended purpose. Any different or extended use is not allowed. The rental company must be notified of any transfer of rental equipment to other locations. Failure to do so will result in the renter accepting all liability. This applies to any damages caused by moving or construction companies contracted by the exhibitors. **If any other companies transport the appliances, they will assume all responsibilities for any damages and losses of rental equipment.**
6. It is the obligation of the renter to provide adequate ventilation space when setting up refrigeration equipment. Blocking or covering the cooling vent slits of the equipment must be avoided. **For refrigerated and deep-freeze display equipment night tariff electric connection is essential. The defrosting tanks must be emptied regularly. The lessor is not liable for any water damages.** Any contents of cooling equipment must be removed and become the responsibility of the renter. There will be no liability for leftover merchandise. **The rental company Valentin Internationaler Messeservice GmbH & Co. KG is not liable for any damages to the renter's refrigerated merchandise, failures of the equipment, or loss of profit.**
7. General Rental Conditions apply to all orders whether verbal, telephoned, faxed, e-mailed or written.
8. The venue of judicial action will be Mettmann, Germany. German laws apply to all foreign orders regardless of any differences between laws.
